Assessments

Years 2, 3, 4, 5 and 6 will be involved in a range of assessments of reading, punctuation, grammar and spelling and mathematics in the months of May and June. Please remember that the key questions for all of us are whether your child has made progress in these areas and if they haven't what can we all do together to support them?

Year 6 parents have received a timetable to help them support their children throughout their "big week".

Hooke Court in Malawi

As many of you know Miss Evans is giving two weeks of her summer holiday up to this wonderful charity and she will be working with schools in Malawi

You can support her and the charity as a whole by donating

- Bottle tops
- Children's clothes
- Small toys
- Football magazines

The plan is that after Miss Evans returns to school we will pair up with a school in Malawi and share information through an exchange of letters. We hope that parents and pupils will then help with fund raising in order to provide the basic educational resources needed in the classrooms in Malawi. In return someone from the charity will offer a workshop open to parents and pupils.
