

## **School Council Minutes October 2018**

### **£100 school council donation from the PTFA**

The children would like to spend this money on a FoF school visit, like the Bug/Bird show. Please can you let me know if you think any businesses in the area would be appropriate? A company like the Explorer Dome would be great.

### **Children in Need**

The children would like to support Children in Need by organising a morning cake sale and a sponsored run in the afternoon.

We thought that we could begin the sponsored run by asking Chesil to complete an assault course in the field? KS2 would then complete the sponsored run? Ideally KS2 children would be sponsored per lap.

We are conscious that the Lyme Bay Environment charity will be in school Friday afternoon of Children in Need day. Due to this, could we move our Find Out Friday fund raising to the following week?

### **Raising money for the school roof**

The children suggested running a show. We could raise money by charging parents to watch the show after school.

### **Buddy system during play**

To help support children who feel lonely during playtime or those who are having friendship issues, we would like to pair this child with a buddy from year 5 or 6. To trial this idea, we thought that we could begin by giving children who receive ELSA support a buddy. The class teachers will be asked to find volunteer. To help support volunteer buddies Miss Humphries would be happy to run a small session on effectively problem solving friendship issues before the programme begins.

### **Future charities to support**

The school council would like to raise money for Cancer Research.

### **Harvest Festival Charity**

The School Council would like to Thank everyone involved for your support in raising fund for the animal sanctuary BSAS. Joy will be joining us next Friday afternoon to run a small thank you assembly with the children.
