

**Develop your creativity:**

**2 points**

- ◆ Make a pop-up book to tell the story of the animal's race.
- ◆ Make a set of lollipop puppets or masks for you to act out the story.
- ◆ Create a collage of the animal whose year it is now.
- ◆ Design and make a calendar for the New Year.
- ◆ Create a Dragon or Lion Dance. Perform to your family.

**This half term's POWER Project is:**  
**'Chinese New Year'**

**Choose projects to achieve your 5  
POWER Points. You can add with your  
own ideas too! *Tick off what you have  
completed to achieve your points***

**Explore your mathematical skills:**

**2 points**

- ◆ Create your own symmetrical red money wallet for Chinese New Year.
- ◆ Visit a supermarket and write down the prices of Chinese foods you would have to celebrate New Year. How much would it cost? How much change from £10? £20?
- ◆ Create a chart or graph to show which years your family/ friends were born under in the Chinese zodiac.

**Explore your locality:**

**1 point**

- ◆ Visit a local Chinese restaurant.
- ◆ How do they celebrate Chinese New Year?

**Extend your research skills:**

**2 points**

- ◆ Research your sign of the Chinese zodiac.
- ◆ What are your qualities?
- ◆ Make a poster.
