Individual Reading and Free Writing time.	Maths Activities					English Activities				Lexia (Reading activities on the computers)	Whole School Celebration Worship			

Reception Timetable – Most of the learning in Reception is cross-curricular (meaning we are learning about lots of different subjects at the same time through a range of activities) and therefore continuous provision refers to activities being mostly play based with some adult directed and some child initiated. This is when groups will also be encouraged to complete short adult directed tasks.
