Head: Simon Smith

Dear Parent / Carer,

13th March 2020

I am just writing to give you all an update regarding the Coronavirus and the current impact on Parrett and Axe Primary School.

The school receives a daily update from the Government and Public Health England. A Government action plan has been launched (see guidance below).

Government Coronavirus action plan

The action plan can be found here: <https://www.gov.uk/government/publications/coronavirus-action-plan>

Current advice remains in place: **No school should close unless advised to do so by Public Health England.**

This particular advice is still very much the case for Parrett and Axe. We have been regularly monitoring the updates and following guidance, and as things stand it is very much business as usual. Until we are told otherwise or in the event of a suspected / confirmed case within the school, we will be continuing to deliver the usual day to-day lessons, clubs and fixtures.

We will continue to promote the importance of hygiene (see below) and will inform everyone of any information pertinent to the school if this may occur.

The importance of hygiene

Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes.

Please help us in sharing simple and effective hand hygiene messages.

Public Health England has a dedicated webpage with a range of posters and digital materials at:

<https://campaignresources.phe.gov.uk/resources/campaigns/101-coronavirus-/resources>

Sign up is quick, free and means you will be alerted as more resources are made available.

In the meantime, may I thank you all for your support and patience with this situation.

Kind regards
Mr S Smith
