

### 3 POWER Points:

#### **Develop creativity**

Draw a picture of what it will look like.

Create a model of your invention.

Design a LOGO for your new product and your company name.

Make a company card and other company stationery.

prospectus

**This half term's POWER Project is:**

#### **'Dragon's Den'**

**Create your own product (food/ toy/ tool/ invention)**

**Deadline: February 8th**

### 3 POWER Points:

#### **Develop a presentation to sell your product to the 'Dragons'**

*What is the product?*

*What does it do?*

*How is it made?*

*What would it cost to buy it?*

*Why is it "the best"?*

*How much money would it sell for?*

-

### 2 POWER Points:

Make a poster to sell your product.

Create a booklet to explain what it does.

Write a set of instructions on how to use your product.

***Choose projects to achieve your minimum 5 POWER Points.***

***5 POWER Points = 5 Dojo's***

***Remember to put your name on everything!***

***We will have a presentation afternoon***

### 2 POWER Points:

Can you work out how much it would cost to make your new product?

How much do you want to make?

How could you do it? Can you make a plan?
