3.3 Parents, Visitors, Contractors and Volunteers

All volunteers, visitors and contractors are expected to follow our mobile phone policy as it relates to staff whilst on the premises. On arrival, such visitors will be informed of our expectations around the use of mobile phones.

While we would prefer parents not to use their mobile phones while at school, we recognise that this would be impossible to regulate and that many parents see their mobile phones as essential means of communication at all times. We therefore ask that parents' usage of mobile phones, whilst on the school site is *courteous* and *appropriate* to the school environment.

We will allow parents to photograph or video school events such as shows or sports day using their mobile phones – **but insist that parents do not publish images (e.g. on social networking sites) that include any children other than their own.**

4. Dissemination

The mobile phone policy will be shared with staff, Governors and volunteers as part of their induction. It will also be available to parents via the school office and website.

5. Review

This policy will be reviewed every 3 years. All staff will be asked to confirm that they have read it.
