20th May 2022

Dear Parents/Carers

Thank you all for your responses to our survey regarding before school provision, we have collated and analysed your responses. This was then discussed at the full Governing body meeting dated Wednesday 18th May 2022.

It was decided that to make the breakfast club financially viable we would need to charge £5 per session lasting from 7:30am to 8:30am including a breakfast consisting of cereal, toast and juice. To run this club in line with health and safety regulations we would also need to employ 2 people.

Now we have worked out the costings and the staff we require could you please complete the form below stating how many sessions you will need for your children. Could you be as accurate as you possibly can so that we can fully explore the viability of running a before school club.

If we do not have the required interest to sustainably run the breakfast club we will unfortunately not be able to run this service as the costs would have to be picked up by the general school budget.

Yours Sincerely
Simon Smith
