Dear Parents

As you know the school has been inspected by Ofsted on 30th June. Could I take this opportunity to thank you all for completing the parental feedback form. I would also like to thank your children for their behaviour and amazing attitude to learning which was noticed by the inspectors. As soon as the report is published I will be able to share it with you.

Can I take this opportunity to wish our marvellous Year 6 all the best for their future at whichever secondary school they are attending in September. I am so proud of them all and they are a shining example of what our school is all about.

We also say goodbye to Mr Dyer and Mrs Raybould at the end of term and we thank them for all their dedication and hard work. We wish them all the best for the future.

Can I thank you for your continued support this year and we look forward to seeing most of you in September. Enjoy the summer break!

Mr Smith

Annual Written Reports

These are due to be distributed soon. Please be aware that the teachers spend hours and hours producing these documents and marking the assessments to support your data sheets. Please make an appointment with a teacher if you would like to discuss a report in more detail or even just to say thank you.

Please be aware that Mrs White produces the statements for Computing and Mrs Harris for P.E. This is yet another indication of what a wonderful staff team we have here-there are not many schools where the support staff team contribute so much.

Final Day

The Year 6 leavers service for their parents/carers will be held at Mosterton Church on Friday 22nd at 1:30pm. A farewell assembly will then be held back at the school at 2:20pm where the whole school will say good luck and good bye to Year 6.

Sport

June proved to be a very hectic month for sport. The Kenway Cup saw us as runners up on a very hot June afternoon. Our team played brilliantly as usual upholding our sporting values. Year 5 enjoyed their day sailing, wall and rock climbing where many children overcame their fears and had a glorious day learning new skills. Quad kids years 5 & 6 proudly won first place for the A team and the B team came third overall. Congratulations to Harry winning the cup for achieving most points out of all the boys that took part. While Halle won the girls cup for coming third overall. Year 3 & 4 Quad Kids took part on a much cooler afternoon where 16 of our children took part in this event and successfully received bronze medals for third place. Congratulations to all our athletes who represented our school upholding all our values.

Thankfully the rain held off for our sports day this year and saw all our wonderful children take part in running and throwing races, plus the year 6 enjoyed the annual water race. It was so lovely to see so many parents and grandparents there to support their children and grandchildren. Respect won the shield on the day which was a culmination of points gained throughout year. Darcie received the Larkman Shield which she richly deserved.

Congratulations to Anna W who competed in the South West Tumbling Championship

achieving a Gold medal. She has now secured qualification to the British Gymnastics National Finals Event which is to be held in Sheffield in September. We are all so proud of you Anna.

I must, once again, say a massive thank you to all the parents who have supported throughout this year in sport, we really could not attend all the events we do without your continued help and support. Next year, I am sure we will be attending many more sporting events to showcase our wonderful children's athletic abilities.
