

prospectus

2 POWER Points:

Develop your creativity:

- ◆ Dress up as a poor/rich Roman. Describe the photographs with labels on a separate piece of paper.
- ◆ Sketch and label garments poor and rich Romans would have worn.

This half term's POWER Project is:

'Who were the Romans?'

2 POWER Point:

Writing Skills

- ◆ Interview a Roman living in Dorchester. Record your interview script.
- ◆ Write an advert selling a Roman Villa. Include the rooms and features that it has and how much it could cost.

2 POWER Points:

Mathematical skills:

- ◆ Can you calculate the average range between the life expectancy of an ancient Roman and the life expectancy of a modern Roman? Record your workings out.
- ◆ Using Roman Numerals write down your birthday, a different birthday of someone in your family, Christmas day and New Year's Day.

2 POWER Points:

Research/geographical skills:

- ◆ Research cooking utensils the Romans used. Draw and label these on paper.
- ◆ Create a mini-dictionary of Latin phrases which would have been used regularly by Roman citizens.
- ◆ Create your own Roman settlement using your research.
